

RECORD OF MODIFICATIONS

This template is intended to record the modifications made to your manuscript following the reviewers' comments. If you wish to use a different format, you must ensure that both their comments and precise details of the modifications you have made are explicitly recorded.

REVIEWER 1

Page or paragraph, where applicable	Reviewer's comment	Author's comment Modification made

REVIEWER 2

Page or paragraph, where applicable	Reviewer's comment	Author's comment Modification made
